MSDS

Sorbitol 70% Solution

1.IDENTIFICATION OF THE SUBSTANCE/PREPARATION/COMPANY UNDERTAKING:

Product name: Sorbitol 70% solution

Product code: 29054400

Supplier: Across Biotech Jinan Co., Ltd

CONTACT PERSON:Frank

2.COMPOSITION/INFORMATION ON INGREDIENTS:

Substance EC No.: not available

Chemical Name: sorbitol

CAS No: 50-70-4

EC No.: not available

Class: high quality

Formula: $C_6H_{14}O_6$

M.W.

3.HAZARD IDENTIFICATION:

Most important hazards: No hazard

Specific hazards: No hazard

Skin contact: No hazard

Inhalation: No hazard

4:FIRST AID MEASURES:

General advice: if you feel unwell, seek medical advice immediately.

Inhalation: NOTHING

Skin contact: NOTHING

Eye contact: rinse with clean water or eye-drops

Ingestion: NOTHING

5.FIRE-FIGHTING MEASURES:

Suitable extinguishing media: NOTHING

Unsuitable extinguishing media: NOTHING

Specific hazards: NOTHING

Specific protective equipment for firefighters: NOTHING

6.ACCIDENT RELEASE MEASURES:

Personal precautions: NOTHING

Environmental precautions: NOTHING

Methods for cleaning up: NOTHING

7.HANDLING AND STORAGE:

Handling: avoid contact with eye; handle with care; pile up up to 5 layers maximum

Storage: keep container tightly closed in a dry and well-ventilated place; avoid moist/damp conditions; avoid light.

8.EXPOSURE CONTROLS/PERSONAL PROTECTION

Chemical name: sorbitol 乙六醇

National occupation exposure limits: NOTHING

Personal protection equipment: No protection

-Respiratory protection: No protection

-Hand protection: No protection

-Eye protection: No protection

-Skin and body protection: No protection

9.PHYSICAL AND CHEMICAL PROPERTIES:

Form: Liquid

Color : Colourless

Odour: syrupy

Melting point:

Solubility:

10.STABILITY AND REACTIVITY:

Stability: stability

Conditions to avoid: NOTHING

Materials to avoid: NOTHING

Hazardous decomposition products: NOTHING

11.TOXICOLOGICAL INFORMATION:

Acute toxicity: no toxic ;NOTHING

Local effects: NOTHING

Sensitization: NOTHING

Long term toxicity: NOTHING

Chronic toxicity: NOTING

12.ECOLOGICAL INFORMATION:

Harmless to ecological condition: NOTHING

13.DISPOSAL CONSIDERATIONS:

Waste from residues / unused products: harmless ;dispose in normal way;

Contaminated packed: dispose in normal way;
